## DELIVERY POLICY

Orders for devices are dispatched from Budapest by FedEx usually within 3-4 weeks from the time your payment is received in Budapest. All orders need to be placed online by a contracted Broker or one of their authorized Networkers on our official website, [www.qxsubspace.com](http://www.qxsubspace.com). After placing the order, your Broker/Networker will automatically be informed by an e-mail of the status of the order, including a FedEx tracking number for your shipment, and the day that your shipment is picked up from Budapest. The tracking number allows you to track personally the status of your shipment on [www.fedex.com](http://www.fedex.com). Please note that it may take as much as 24 hours before your shipment status is updated on the FedEx tracking website.

Please note: the price charged for delivery of any item sent from Budapest is already included in the purchase price.
